Attached for your review and referral to the Commission for approval is an amendment to the FY2008-09 Overall Work Program (Resolution No. 3857, Revised). This amendment adds two new grants for FY 2008-09 for a total of \$2,380,000.

- 1 The California Blue Print Partnership grant was approved by Caltrans for \$640,000.
2. The second grant approved is an FTA Section 5339 grant for \$1,740,000.

The Regional Blue Print grant covers a number of the Bay Area's smart-growth initiatives such as the Smart Growth Strategy/Regional Livability Footprint Project, Smart Growth Preamble and Policies, Transportation for Livable Communities planning and capital grants program, the Resolution 3434 Transit-Oriented Development policy, and a number of other initiatives.

The second grant is for the FTA's Alternatives Analysis Program and the funds will pass directly to the operators -VTA, AC Transit, and Sonoma Marin Area Rail Transit, for assessments of public transportation alternatives designed to address a transportation problem in a corridor or subarea.
